## PROFILE

Sayyed Engineers Limited pioneered ballpoint pen manufacturing in South Asia when such precision engineering (tip manufacturing) in the production of ballpoint pens was thought to be possible only in the advanced countries. At Sayyed, ballpoint pens are injection molded and refills are produced using the best machines and raw materials available from top of the line sources e.g. Germany, Switzerland, Japan etc.

Sayyed has also established a state of the art facility for the manufacturing of Wood pencils, Erasers, Staple pins and Plastic sharpeners. This facility produces a complete range of HB and Color Pencils together with several assorted models of sharpeners.

A wide variety of packaging options including paper boxes, poly bags, tin boxes and blister packaging are available.

Detailed quality control procedures have been implemented, for which the company has obtained ISO 9001:2015 certification.

From the time of its inception in 1965, Sayyed has continued its commitment to quality and innovation. In addition to being the largest producer of writing instruments in Pakistan, it has been exporting its quality products to many countries, including Holland, Turkey, Cyprus, Iraq, Iran, Syria, Egypt, Lebanon, Kuwait, Russia, Afghanistan, Algeria, Libya, Madagascar, Jordan, UAE, and Saudi Arabia.

Sayyed produces Ballpoint Pens, Fiber Tip Pens, Fine Liners, Permanent Ink Markers, White Board Markers, Gel Pens, Soft Ink Pens, Fountain Pens, Ink Erasers, Fountain Pen Inks, Sharpeners, and Wood pencils from two factories located in Gujranwala and Bhai Pheru, Pakistan. In addition to the head office in Lahore there are six branch offices at Rawalpindi, Peshawar, Multan, Faisalabad, Sahiwal and Karachi, and an overseas office at Jebel Ali Dubai, UAE.

We look forward to continue serving our existing and new buyers in Pakistan and across the world with quality, reliability and personalized customer care.

## QUALITY POLICY & CERTIFICATIONS

- To fulfil or exceed Customer needs and expectations by delivering quality writing instruments at competitive prices consistently.
- To cultivate and maintain the commitment to continual improvement of our processes.
- Develop our capability and infrastructure to continuously innovate in order that we use the latest available technology to meet the ever changing demands of the market place.
- Maintain a healthy and constructive work environment that enables personnel to produce maximum output and perform better than what they think is their best.

### **Replacement Policy**

All our products are guaranteed against design and production defects for a period of 12 months from the date of production. Only those products will be replaced which meet the 12 months criteria.
